Resolution No.: 02-01-12A

Resolution Title:

**Resolution Authorizing the Acquisition of Certain Property
in the Lanning Square Neighborhood
Funded Under the American Recovery and Reinvestment Act (ARRA)**

Project Summary:

In January 2010, CRA was awarded \$11.9 Million grant under HUD's Neighborhood Stabilization Program 2 (NSP 2), which is funded through the American Recovery and Reinvestment Act (ARRA). CRA may utilize ARRA NSP 2 funds to acquire vacant, blighted or foreclosed upon property in the Lanning Square neighborhood that will be maintained and land banked for future use in redevelopment projects.

1. In 2007, the City acquired title to certain property that was connected to the failed Lanning Square West development (consisting of 20 sites), which were vacant and foreclosed upon by the State's Housing Finance Agency and Sun Bank. CRA and the City entered into an Inter-local Services Agreement that provided, in part, the City would transfer title to these properties to CRA for their use in future redevelopment projects upon the City's adoption of a redevelopment plan for Lanning Square.
2. In 2010, the City adopted Ordinance MC-4581 authorizing an agreement of sale with the CRA for the purchase of the Properties for \$193,884.00.
3. Acquisition and maintenance of these 20 vacant, blighted, and foreclosed upon properties in Lanning Square is an eligible NSP 2 land bank activity. HUD also has issued an environmental review and clearance for the acquisition property in Lanning Square that will be land banked for future redevelopment and assisted by NSP 2 funds. Exhibit A property list attached.
4. CRA will obtain an independent appraisal for the properties as well as title services.
5. If the properties do not appraise for the amount that will support the use of \$193,884.00 in NSP 2 funds CRA will seek to acquire the properties for the amount of the current appraised value of the properties less 1% which is the amount required to use NSP 2 funds.

02-01-12A (cont'd.)

Purpose of Resolution:

To authorize acquisition of property in Lanning Square and utilize ARRA NSP 2 funds for the acquisition and maintenance of land banked property

Award Process:

Cost Not To Exceed:

the lesser of \$193,884.00 or 1% below the Fair Market Value as determined by an independent appraisal whichever is less

**Resolution Authorizing an Amendment to Extend the Term of a
Shared Services Agreement with the City of Camden
for the Provision of Planning and Related Services in Connection with
the North Camden Waterfront Study and Redevelopment Plan**

Project Summary:

CRA and the City of Camden, Department of Planning and Development, identified the North Camden Waterfront as an area in need of a redevelopment study and plan.

CRA and the City executed a shared services agreement in 2010 to enable the CRA to proceed with the procurement of a planning firm for this purpose and underwrite the costs of these planning services through an ERB planning grant.

In 2004, and as amended periodically, ERB executed a Grant Agreement with the CRA for \$723,945 from the ERB's Neighborhood and Redevelopment Planning fund for completion of various redevelopment plans for the City of Camden. To date, there is \$396,876 remaining in the Grant.

In 2011, CRA adopted Resolution 04-06-11C, to exercise an option under the 2010 Shared Services Agreement to extend the term for one additional year to April 1, 2012.

Wallace Roberts & Todd, LLC, engaged to provide planning services for the North Camden Waterfront study area, will require additional time to perform under the Agreement, and therefore we are requesting that the Shared Services Agreement be amended allowing for the extension of the term for one additional year to April of 2013.

02-01-12D (cont'd.)

Purpose of Resolution:

To authorize an amendment to a Shared Services Agreement with the City for planning services by extending the term of that Agreement by an additional year to April 1, 2013.

Award Process:

CRA issued an RFP.

Cost Not To Exceed:

the North Camden Waterfront Study and Redevelopment Plan**

WHEREAS, City of Camden Redevelopment Agency (“CRA”) is charged with the duty of redevelopment throughout the City of Camden; and

WHEREAS, CRA and the Economic Recovery Board have executed a \$723,945 Neighborhood and Redevelopment Planning Grant (“ERB Planning Grant”) to assist the City of Camden with funds to prepare neighborhood and redevelopment plans and otherwise meet, in part, the planning activity needs of the City; and

WHEREAS, CRA and the City of Camden’s Department of Planning and Development have identified the North Camden Waterfront as an area in need of a redevelopment study and plan; and

WHEREAS, the cost of planning services to undertake a redevelopment study and plan for the North Camden Waterfront study area is identified in the ERB Planning Grant as a priority and an eligible expense; and

WHEREAS, CRA and City executed a Shared Services Agreement in 2010, and thereafter, amended the Agreement to extend the term to April 1, 2012; and

WHEREAS, CRA solicited for a firm by RFP to provide planning services in accordance with the “fair and open” process and procedures set forth in N.J.S.A. 19:44A-20.4 et seq. and as a result the firm of Wallace Roberts & Todd, LLC (“WRT”) was selected and CRA and WRT executed a Service Agreement for one year effective July 12, 2011; and

02-01-12D

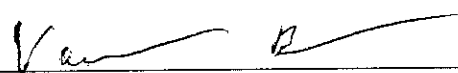

WHEREAS, additional time is required for WRT to fully perform under the Service Agreement, and as such, CRA and the City are required to amend the Shared Services Agreement they executed to extend the term of their Agreement for an additional year to April 1, 2013, allowing for completion of the North Camden Waterfront study and redevelopment plan process.

NOW, THEREFORE BE IT RESOLVED by the governing body of the Camden Redevelopment Agency that the Executive Director of the Agency, a duly authorized representative of the Camden Redevelopment Agency, is hereby authorized to execute an amendment to the Shared Services Agreement between the Camden Redevelopment Agency and the City of Camden for completion of the North Camden Waterfront Study and Redevelopment Plan and to extend the term of that Agreement for one additional year to April 1, 2013 and further authorizing execution and delivery of any and all documents necessary to carry out the intent of the foregoing.
